WHERE NATURE BECOMES DESIGN

WELCOME

Furniture as functional art.

Each Stonera Studio piece pairs natural wood with flowing epoxy resin, so the grain and the resin move together across the surface.

This catalogue brings together our range of tables, armrests, credenzas, headboards, doors, countertops, washbasins, staircases, wall art, lighting, mirrors, clocks and gifts. Every piece is handcrafted to bring a bold, artistic look and lasting quality to your space.
